

Attention Webform Partners:

In reference to the below EPA ruling, completing an invoice, you will have a drop down box with the different compliance options for each item. If you do not need to add compliance to the items, simply tab through/bypass the field. Otherwise, you will choose the option best suited for your product. Please begin sending this immediately for any item that is included to ensure compliance.

0	Non-Compliant
1	Phase 1 Compliant
2	Phase 2 Compliant
3	No Added Formaldehyde
4	Ultra Low Emission Formaldehyde Use (ULEF)
5	TSCA Title VI Compliant
9	Not Applicable

See, April 4<sup>th</sup> ruling noted in the link.
