Carrier Partners,

Please be advised that Lowe's Canada Distribution Centre is moving to a new facility scheduled to open December 1st, 2015. During the transition to the new facility, 8450 Boston Church Road, we will need time to move and ramp up our operations in an effort to make this transition as seamless as possible.

Our time lines are as follows.

Inbound operations:

During this time Lowe's current operation will accept inbound shipments up until Tuesday November 24 11:59 pm. This will be the last receiving day at our current facility. Lowe's will resume normal operations at our new facility, 8450 Boston Church Road on Tuesday December 1st at 7:00am.

Outbound operations, store loads:

Lowe's outbound operation will mirror the inbound time line with only a few modifications. The plan will be that Lowe's will continue to ship from the current location, 3333 James Snow, November 25th and possibly November 26th, Wed and Thurs. Some exceptions and alterations will be made depending on store locations and the needs of the business to support our stores. I ask that you be ready and available to help support Lowe's during our transition.

I anticipate that we will have a successful transition to our new and improved location where we have state of the art technology and equipment. I am also asking that all our carrier partners be ready for a very busy winter, 2016 and beyond partnering with Lowe's.

Please feel free to reach out to me if you have any questions or concerns,

Thank you for your support,

Keith Gouveia, keith.g.gouveia@lowes.com
