

Attention Lowe's Trading Partner:

The EPA has now mandated the TSCA Title VI compliance ruling to June 1st, 2018. Please begin sending in your new PID segment at any time to ensure compliance.

See, April 4th ruling noted in the link.

<https://www.federalregister.gov/documents/2018/04/04/2018-06884/court-order-compliance-date-formaldehyde-emission-standards-for-composite-wood-products>

As a reminder:

- No testing will be performed for this new segment.
- If your product does not contain formaldehyde, no changes are needed.

Original Notice:

In late 2017, your company received [notification](#) about a final rule to implement the Formaldehyde Standards for Composite Wood Products Act, which added Title VI to the Toxic Substances Control Act (TSCA). Lowe's has updated the invoice specifications to allow for the TSCA Title VI compliance statement. No testing will be needed for this change.

Traditional EDI Partners:

This statement must be provided to Lowe's in an additional PID segment for each item, as it applies to the compliance of that item. This PID segment is in addition to the free form text PID that contains your item description. When your item is compliant as set forth by the TSCA Title VI compliance guidelines, you will provide the additional PID segment, stating compliance (example shown below). If your item is compliant under both, the CARB and TSCA rulings, please only send the PID noting TSCA Title VI Compliance.

PID*X**VI*GM04COMPTS*5\

Breakdown of segment:

PID01 = X

PID03 = VI

PID04 = Code Breakdown

Positions 1-2: GM=General Merchandise

Positions 3-4: 04=Format/Option Code

Positions 5-8: COMP=Regulatory Compliance

Positions 9-10: FE=CARB or TS=TSCA

PID05 = Code Breakdown

0 = Non-Compliant

1 = Phase 1 Compliant (CARB)

2 = Phase 2 Compliant (CARB)

3 = No Added Formaldehyde

4 = Ultra Low Emission Formaldehyde

5 = TSCA Compliance

EDI Webform Partners:

When completing an invoice, you will have a dropdown box beside the quantity. In order to report as TSCA Compliant, you will choose 5. If your item is both, CARB and TSCA, also choose 5.
