

Lowe's Transportation Information is Moving!!

Effective Monday March 2, 2009 you will need digital certificate access to LowesLink® to access Transportation Information

Check which category below applies to you and follow the instructions to gain access.

1. You already have a Lowe's digital certificate with access to the Store Lookup application

Log into LowesLink® and choose Transportation Information under the ECommerce tab

2. You have a LowesLink® digital certificate but do not have access to Store Lookup

Send an email to loweslink@lowes.com requesting that Store Lookup be added to your existing digital certificate. Include your name, your company name and vendor number. Store Lookup and Transportation Information links will be added to your LowesLink® menu.

3. You do not have digital certificate access to LowesLink®

Go to www.loweslink.com and click on the link to register that is located under the login icon on the left hand side of the page. Complete and submit the LowesLink® registration for Store Lookup. A Lowe's vendor number is required to complete the registration.
