

PRODUCT SUBMISSION FOR SOURCE TAGGING CERTIFICATION LAB

**IMPORTANT: All sections must be completed. This form must accompany the product(s) you are submitting.**

The Source Tagging Certification lab ensures consistency in Sensormatic® label placement and accuracy in label application for the supplier and retailer. The Source Tagging Lab provides the guidelines and recommendations that define the best performance, detection and deactivation at the retailer's Point-of-Sale.

**1** ENTER COMPANY NAME AND CONTACT INFORMATION:

(Please Type or Print Legibly) \* Indicates mandatory field.

*Company: _____	*Contact: _____
*Address: _____	Title: _____
_____	*Phone: _____
_____	Fax: _____
*Date: _____	*E-Mail: _____

**2** ENTER PRODUCT UPC CODE, QUANTITY AND DESCRIPTION:

**SPECIAL LABEL INSTRUCTIONS:** The lab will recommend the optimum label location. Please indicate if you have specific label placement suggestions. If the location you suggest is not certifiable, the lab will suggest alternate locations.

**PLEASE NOTE:** When submitting batteries, film and/or products containing permanent magnets please submit 3 samples of each. Products should be submitted for certification exactly as they will appear at the retail store. Products submitted in any other format will be issued a "prototype" certification and may not be valid to the retailer until the final " Production" version is submitted for certification.

\* Required field if sample is being shipped from and returned to a non-US location.
