INSTRUCTIONS

Please complete this pallet label or placard and add it to each pallet you are shipping based on the Purchase Order information and Order Type and Color confirmed by your Lowe's Mexico Vendor Supply Chain Analyst.

Location Number

This is the store or warehouse number stated on the Purchase Order. This field is to identify the final destination of your shipment.

Store or Warehouse Name

This is the store or warehouse name stated on the Purchase Order.

Purchase Order #

This is the Lowe's Mexico purchase order number stated on the Purchase Order.

Supplier Name

This is the business name or legal name of your company.

Order Type

Our Lowe's Mexico Vendor Supply Chain Analyst will provide you this information as soon as product Flow is defined, before you receive the purchase order.

Merchandising Division

This is the Lowe's product division name for which the products belongs to, or if you are shipping products for multiple departments, please put the word "MIX".

Number of Pallets

Please state how many pallets you are shipping and more specifically number each pallet. So, Lowe's can keep track of every one and make sure your shipment is received complete.

Boxes

Please state how many cartons or boxes you are shipping in each pallet. It will help to make sure your shipment was received complete, a more accurate audit and will facilitate the shipping process.

Delivery Address

This is the shipping location you are sending the product.

Shipping Date

This is the date that product leaves your facility. This will help to control Lowe's inventory and shipping methods, and keep track of the days that the product is taking to get to the stores.

COLOR

Based on the Order Type, vendor will prepare this label or placard with the appropriate color sheet. Our Lowe's Mexico Vendor Supply Chain Analyst will provide you this information as soon as product Flow is defined, before you receive the purchase order.

If you have any comment or question, please contact your Lowe's Mexico Vendor Supply Chain analyst.
