

LowesLink® Vendor Portal Self Modification

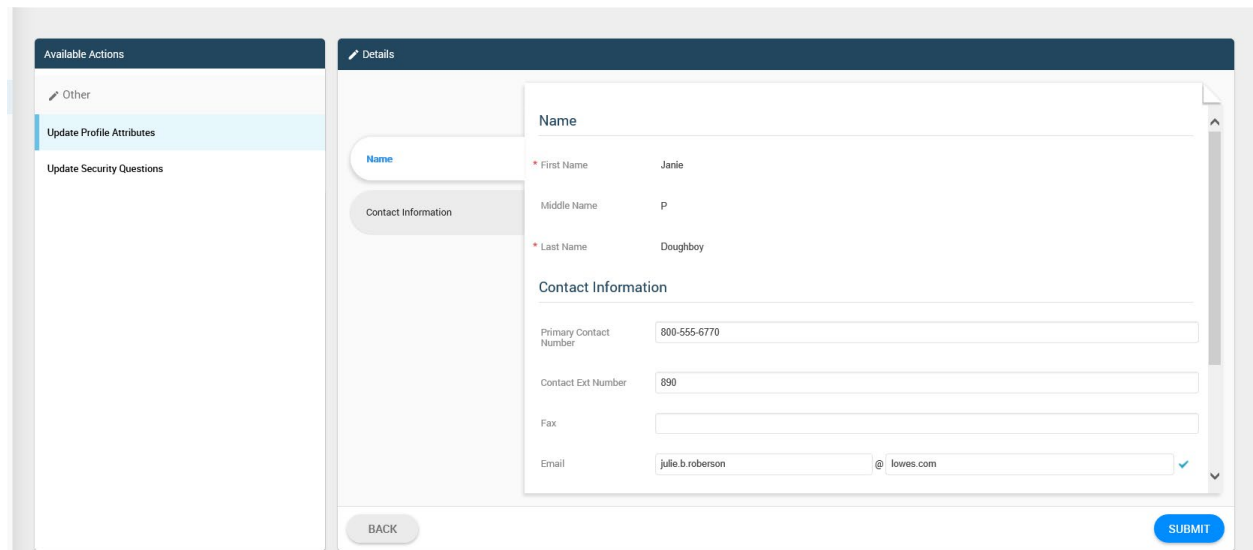

From the LowesLink® landing page the vendor user can modify their profile by clicking on the Self Service option as shown below:

The user will be viewing the below page with options to either Update Profile Attributes or Update Security Questions:

Under Update Profile Attributes the user can modify their phone number or email address. Names cannot be changed. The user would click Submit to save the changes

Vendor Portal Self Modification, Continued

Under Update Security Questions the user can view their security questions and answers or make changes if needed. The user would click Submit to save the changes.

The screenshot displays a user interface for updating security questions. It is divided into two main sections: 'Available Actions' on the left and 'Details' on the right.

Available Actions:

- Other
- Update Profile Attributes
- Update Security Questions** (highlighted)

Details:

The 'Details' section contains four pairs of security questions and answers, each with a red asterisk indicating a required field:

- Security Question 1:** Name of your Elementary School (dropdown menu)
- Security Answer 1:** mountain view
- Security Question 2:** Name of your first pet (dropdown menu)
- Security Answer 2:** radar
- Security Question 3:** Favorite animal (dropdown menu)
- Security Answer 3:** turtle
- Security Question 4:** Favorite Holiday
- Security Answer 4:** christmas

At the bottom of the 'Details' section, there are two buttons: a grey 'BACK' button on the left and a blue 'SUBMIT' button on the right.
