

Trusted Sites

The website ww3.loweslink.com needs to be added to your Trusted Sites.

With the **Internet Explorer** browser open

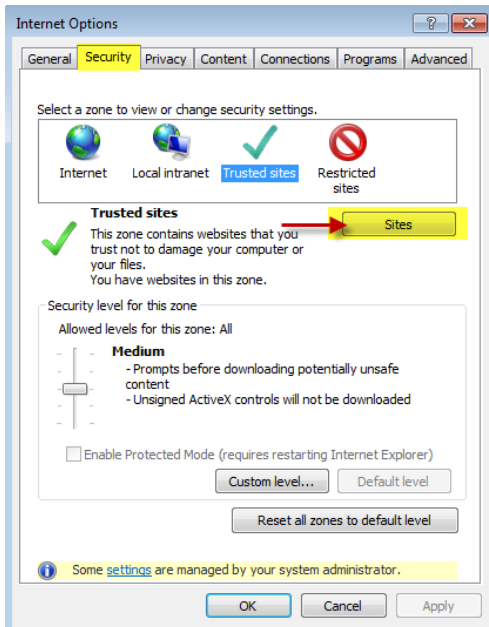

Click on:

- **Tools**
- **Internet Options**

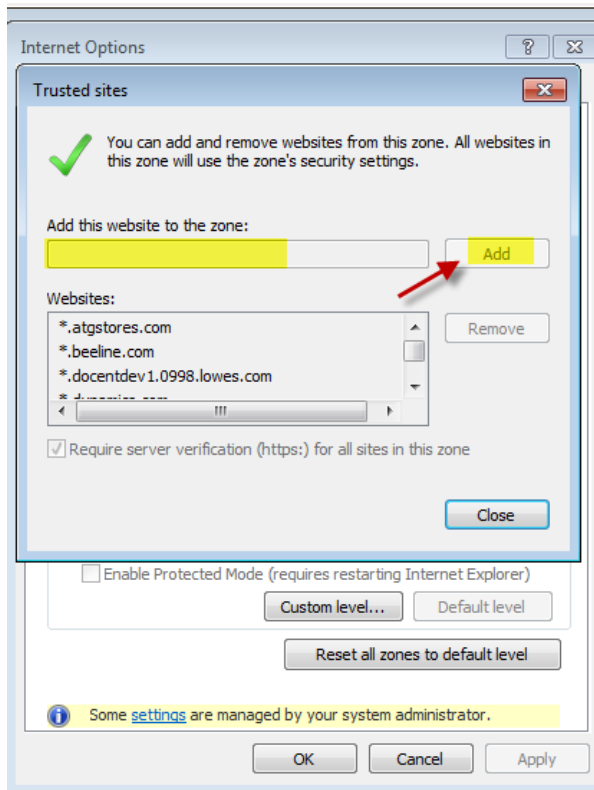

Click on the **Security Tab**

Then click **Sites**

Type <https://ww3.loweslink.com> in the 'Add this website to the zone' box and click the **Add** button. If the address automatically appears in the box just click on **Add**.

Click **Close**

You will need to close all browsers and then open up a new Internet Explorer window.
